Dear Child Care Service Families,

It is that time of the year! Below you will find the registration form link for our Summer Camp program and the 2024-2025 school year registration google form. Please note, they are two different forms and both need to be completed if you are interested in Camp and Childcare for the 2024-2025 school year. Otherwise, feel free to fill out the registration form that applies to you. I have also included on the back the tuition rates for the 2024-2025 school year.

Summer Camp: Summer camp will run from July 8th-Aug. 30th, 2024. Just like last year, camp is a week to week program. You are welcome to sign up for all eight weeks or select specific weeks. Campers are able to attend 5 days a week, full day or half day. We have also added a 3 full day option this summer. Before care and after care will once again be offered for an additional cost. Please submit a form via email or hand directly to a Child Care Services employee. The registration fee for summer camp is \$25.00 per family, not per child. Please pay online or via check (labeled registration fee) or cash.

2024-2025 Registration Google Form: This form is for all our school programs (Daycare and Before/ Aftercare) in both Pompton Lakes and Riverdale. Each child will need their own form. Once completed and submitted, please follow the link to pay your registration fee online or via check (labeled registration fee) or cash.

Please note, it is \$25.00 per family, not per child.
